Drive your way.™

**You're lucky! Family, friends, places to visit
and things to do.**

How do we know this? It's simple. You're considering
the Hyundai Trajet.

Owning a Trajet is a choice that is driven by what you
want out of life. It meets your needs and does so with
style. Smart and spacious, the Trajet is a great MPV
to own and be seen in.

individual

outstanding

Family and friends are precious, so you'll want a car that offers you outstanding safety and comfort.

All the engine options are fuel efficient and the specification the Trajet offers is exceptional.

Whatever you do with your Trajet, whether it's the school run, the drive to work or an action packed weekend away with friends, you will travel in style and comfort. Advanced safety features in the Trajet include ABS, 5 x 3 point rear seatbelts, and driver, front passenger and side airbags.

High Mounted Brake Light

2.0 GSI Engine

Rear Light Cluster

Roof Rails

If you appreciate styling, a spacious interior, and of course, comfort, the Trajet is going to be a real treat for you, your family and friends.

Designed with room for seven adults, the Trajet is extremely adaptable. With a number of ingenious seating configurations, the Trajet allows you extra luggage space and, with easily removable seating, can accommodate those larger items you may need to take from time to time. The front seats can rotate through 180 degrees to face your passengers when the car is stationary. In short, the Trajet is a living room in a car. The seats in the back can be turned into tables making a virtual office space or picnic area.

A selection of customer options is available including satellite navigation (Smartnav™), privacy glass, DVD multimedia system, leather seats and door trim and reversing sensors. For further information please refer to the Customer Options brochure or ask your dealer.

vibrant

The Trajet is a spacious car that is big on life. To reflect this, we have provided a range of exciting colours for you to choose from – solid, metallic and mica options are available.

Poppy Red (Solid)

Ebony Black (Solid)

Dark Blue (Metallic)

Storm Grey (Metallic)

A metallic finish is achieved by adding aluminium flakes to the paint and then applying a coat of clear lacquer. The mica finish adds an extra depth of lustre with the inclusion of mica particles in the paint layer.
